Jon Douglas Rake, *Managing Artistic Director*

July 2018

Thank you so much for deciding to join TMP as a Season Ticket or Flex Pass Subscriber in the 2017-2018 Season! Our 2018-2019 season is our 25th Anniversary Season, filled with new releases, classic favorites and TMP revivals for all to enjoy. Pricing information can be found on the reverse side of this form.

For new SEASON TICKET purchases the best days available for tickets are Friday and Saturday evenings. This is especially true if you are looking for aisle seating. Matinees are our most popular shows and are the fullest. They have very few if any aisle seats available.

The first weekend and the fourth Saturday evening are our Scene Stealer shows—A,B,C and N—these shows receive a slight discount on pricing. First Pricing. The second, third and fourth weekend not counting Sat evening are regular price Season Tickets—D, E, F, G, H, J, K, L, M, and P. Center Pricing.

The last group is Flex Pass pricing—six tickets—one for each show for one person. Flexibility to change your dates to come to each show.
