Comments:

TMP rehearses approximately 5-7 weeks prior to a shows opening.
Rehearsals are held Monday-Thursday evenings, and weekend days.

Not all cast members are called for every rehearsal—only those days when your scenes are being rehearsed.

All cast should expect to be called for all rehearsals during the last two weeks prior to opening night.

*Rehearsal conflicts relayed and approved in advance will
not necessarily keep you from being cast in a show.*

Please list all known conflicts you have with the rehearsal periods, travel issues, special needs, etc.

Please indicate if you would also be interested in being called about opportunities in:

_____ Stage Management/ASM _____ Backstage/Set Crew

_____ Light Technician/Follow Spot

_____ Band Member _____ Sound Technician

_____ Hair/Wigs/Makeup _____ Set Construction

_____ Costuming _____ Props Design
